2017-2018 School Year
FACTS Tuition Information

Tuition for the 2017-2018 school year is \$10,400 plus fees of \$800 for a total of **\$11,200**.

FACTS MANAGEMENT COMPANY

Seton High School uses FACTS, a third party tuition collection company for all tuition payments. **All families must have a FACTS account, even if you are paying your tuition in full.** To set up a new FACTS account, go to www.setoncincinnati.org, Admissions, Tuition and Financial Aid, and click on the link “FACTS Online Payment Setup”. For families who set up a FACTS account for the previous school year, reenrollment forms are enclosed; you will not have to set up a new FACTS account. Please review your information and if no changes are needed, we will reenroll you using your current information and payment method. New families are required to set up a FACTS account by March 17, 2017.

ADDITIONAL INFORMATION

FACTS tuition accounts must be set up by **March 17, 2017**.

Please note that tuition accounts **must** be current before a student will receive a class schedule and be admitted to classes. (This means we must receive a June, July and August payment or payment in full by August 1 to be considered current.)

Tuition amounts for each payment plan will be adjusted for the registration fee, scholarships and/or financial aid. **Any outside grants or scholarships will be posted to your FACTS account when payment is received at Seton.**

If parents split tuition payments, each parent must set up their own FACTS account.

If you have three or more children enrolled in an Archdiocesan high school, an additional \$1,250 discount will apply to each Seton student. Please **notify** the business office if you are eligible for this discount.

If you participate in the ACEO or Western Scouters programs, **you must still make your regularly scheduled payments to FACTS**. Seton will adjust your FACTS account as soon as we receive payment from these organizations.
