

Hey Students! Now is your chance to honor your favorite teacher with an award from Panera Bread! All you need to do is write a 100-200 word essay about why your teacher is the best and how they “rise above” all the rest! If your essay is selected, your teacher will be awarded with prizes like a \$500 grant for their classroom...plus, you could win a \$100 Borders Books gift card to go with it. The contest runs from March-31. Visit Panera Bread to pick up a registration form and get started.
