PATHWAYS AT SETON

Seton is committed to helping students discover their passions and explore college majors and professions before graduation. With 99 college credits offered at Seton, students can take courses that introduce them to potential career fields while actively earning college credit. Our mission is to guide students to make informed decisions about their future education and career paths before entering college, setting them up for success in college and beyond.

Saints IN MEDICINE

TriHealth

Seton TriHealth Summer Internship

Paid summer internship program through a partnership with TriHealth. Students work full-time or part-time in more than 50 different medical settings throughout all TriHealth locations, including Good Samaritan and Bethesda North Hospitals.

Certified Nursing Assistant (CNA) Program

Students complete the required class hours and skills needed for their CNA certification to perform hands-on healthcare to patients in medical settings.

BEACON Orthopaedics & Spine

Beacon Healthcare Immersion Internship Program

Paid internship for juniors (GPA of 3.5 or higher) exploring orthopedic surgery, sports medicine, administration, physical therapy and athletic training.

tap.md
tap.hc

TAP MD Program and TAP HC Program

Part of the TAP Health Initiative. Offers high-achieving juniors in Cincinnati an opportunity to explore what it would be like to be a physician as well as other careers in healthcare.

MSJU School of Health Sciences

MOUNT ST. JOSEPH UNIVERSITY®

Nursing 100: Health Promotions Course

4-credit-hour course

A foundational nursing class open to students who have or will complete AP Biology and/or Honors Anatomy and Physiology and have an interest in the medical field. Held at MSJU's campus twice a week.

SLH 101: Introduction to Speech, Language and Hearing Disorders

3-credit-hour course

Explore communication development, and the role of audiologists and speech-language pathologists. Taught at MSJU's campus twice a week.

Seton MEDICAL CLUB

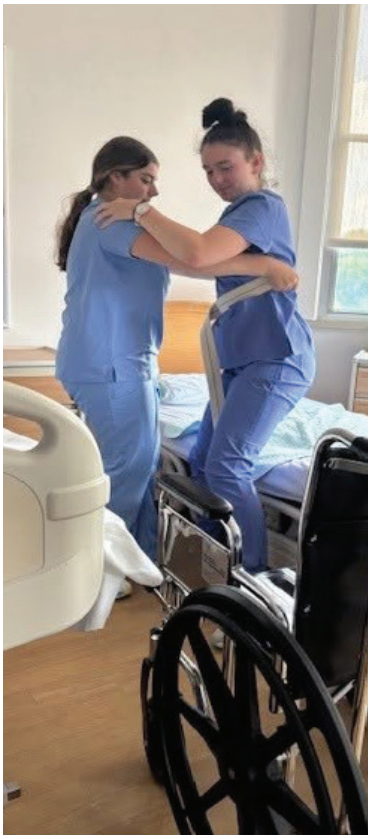

Seton Medical Club

Open to all students interested in careers in medicine. Guest speakers are experts in their professions and most often alumnae. They come to Seton to talk about their personal pathways and experiences in various medical professions.

MERCY HEALTH

The Medical Explorer Program at Mercy West Hospital

A five-session program for junior and senior students with an interest in the medical field. Students observe the roles and responsibilities of various medical professionals and participate in curated, hands-on experiences with the highlighted department during each session.
