

WELCOME, FUTURE SAINTS!

Are you ready to be STRONG*Her* at Seton? Discover the exceptional and exciting opportunities here at Seton High School! We are confident that you will see the many reasons why thousands of young women have chosen to become Seton Saints!

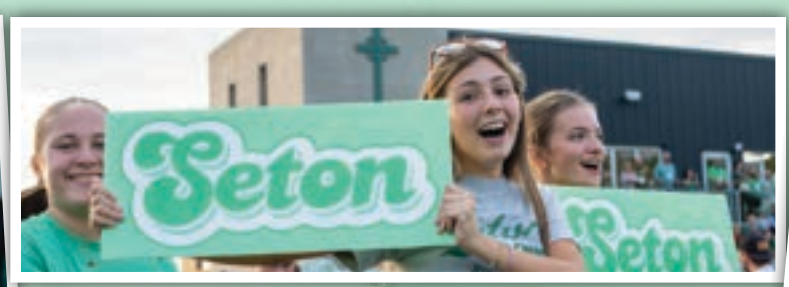

OUR HISTORY IS ROOTED IN A FIRM FOUNDATION

In the tradition of St. Elizabeth Ann Seton and through the mission of the Sisters of Charity of Cincinnati, Seton High School develops a diverse population of young women for a life of faith, service and leadership and engages them in achieving academic excellence in a college preparatory environment. Students receive a well-rounded educational experience including interactive classes taught by an extremely talented and dedicated faculty that challenge, enrich and empower our students to learn and grow. Our innovative modified eight-block schedule exceeds state requirements for instructional minutes and provides excellent experiential learning opportunities while preparing young women for college and beyond.

$37 MILLION COLLEGE SCHOLARSHIPS RECEIVED FROM 80% OF THE CLASS OF ’26

“Taking college courses at Mount St. Joseph University has helped me prepare for college by giving me a better understanding of what to expect in college. These courses have helped me become more responsible, improve my time management, and build confidence in my ability to succeed academically. They have also allowed me to explore my interests and prepare for my future career in healthcare. Overall, this experience has helped me feel more prepared for the transition to college and my future goals.”

– Ellie Hudepohl ’27

Ellie is currently enrolled in Educational Psychology and Intro to Speech, Language and Hearing Disorders

Seton High School is proud to offer a rigorous and comprehensive college preparatory curriculum. Seton’s **PATHWAYS** to college and career success include courses and opportunities that focus on **Business, Medicine and Health Sciences, Science and Technology, Education, Engineering and Mathematics (STEM).**

- Seton has partnered with TorchPrep to bring ACT test prep training to our students
- Seton offers 19 Advanced Placement courses, some of which are included as Dual Credit courses
- Seton offers 21 Dual Credit courses through Mount St. Joseph University
- Seton offers six college credits through the University of Cincinnati

ACADEMIC EXCELLENCE

"Being part of the Honors Program and Leadership Seminar at Seton has helped me with many skills inside and outside of the classroom. My challenging Honors and AP classes have pushed me beyond what I believed I could achieve. Being in Leadership Seminar has taught me how to communicate better, which is extremely helpful since I'm in the band. Thanks to the Honors Program, I have gained many helpful skills that will aid me in my future goals." – Fernanda Pina Almarez '29

HONORS PROGRAM

Admission to Seton's Honors Program requires a student to score in the top 15% on the High School Placement Test and demonstrate academic achievement, Christian leadership and service to others as evident by her admission essay. Students must have a grade school cumulative average of 85% with no grade below 78%. Once accepted into Seton's Honors Program, students are offered exclusive leadership workshops and training, ACT test prep, take part in unique service opportunities and engage in enrichment activities through partnerships with local universities.

STRONG*Her* IN FAITH AND SERVICE

From daily morning prayers, school-wide liturgies, retreats, mission trips, service opportunities and extracurricular activities, faith formation is the most important part of the Seton experience. Teachers and staff are committed to educating the whole student and we are proud to have an environment where our students can be empowered by their faith.

"Being a part of Seton's Campus Ministry has helped me to grow in my faith more than I could have ever imagined. Whether it is going to national conferences, retreats, mission trips, morning masses, rosaries, or even club meetings, my faith has become a central part of my life. By growing in my faith, I have learned how to be a better classmate, role model, teammate, and person to all of my Seton sisters, all because of the opportunities Seton's Campus Ministry has given me." – Liezel Keller '28

MISSION & MINISTRY

Seton students are guided by the mission of the Sisters of Charity and rooted in the tradition of the Catholic church. Students not only have opportunities to explore their faith, but are also guided and encouraged to act justly, to build loving relationships, to share their resources with those in need and to care for all creation.

EYES UP!

Faith and Spiritual Coordinator, Lisa LaRosa, works with athletic teams, clubs and extracurricular groups. Our faith is at the center of everything we do. Through faith-based activities, group discussions, workshops and prayer services, students are inspired to stay grounded in Christ and keep their "Eyes Up" to the Lord. The Gould Family Sports Complex is home to our beautiful Spiritual Garden, where teams gather prior to games for prayer.

STRONG*Her* IN LEADERSHIP

SETON HELPING SAINTS

The mission of the Seton Helping Saints Club (SHS) is to positively impact local community members, non-profit organizations, Seton families and alumnae through service projects, donation drives and monetary assistance. SHS is Seton's largest club and allows students the opportunity to explore philanthropic causes, organize service events and give back to those in need.

"Being in band has brought me some of the best experiences I've had in high school and has brought me closer to some of the best people I've ever met. Being surrounded by such a tight knit community of people who are interested in the same things as me has brought me so much joy, and I'm so grateful for getting to be a part of the Band. I love getting to do something I love in front of such an electric crowd. The Seton community makes me feel so loved and supported during Shadow days and other Seton shows!"
– Grace Goertemoeller '28

SAINTS IN MEDIA

Seton is thrilled to offer multiple Digital Broadcasting courses. Saints will learn the ins and outs of broadcasting by writing, filming and anchoring the live morning announcements and athletic events at the SC! This class is taught by Laura Duerring who has over 20 years of professional broadcasting experience including internet, television, radio and print journalism, serving in both management and on-air roles.

"My experience in the Seton Soccer Program has opened my eyes to see God at the foundation of every mountain. No matter the peaks and valleys I have gone through, my faith has gotten stronger because of the people who surround me every day at school and in practice. Because of my teammates and coaches, I have learned about dedication and what it truly means to appreciate the peers around me!" – Lexi Voelkerding '27

STRONG*Her* IN ATHLETICS

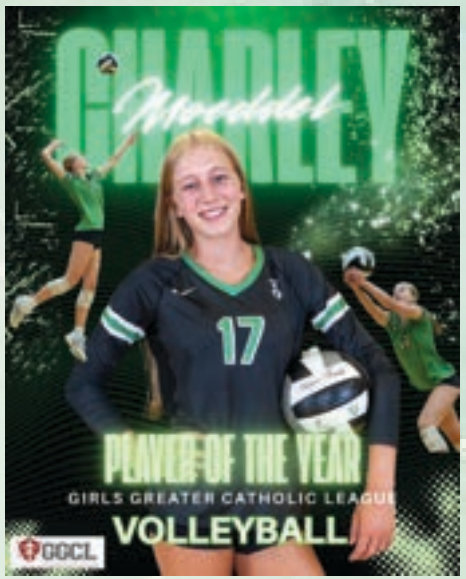

2026 Division 1 Volleyball State Champions

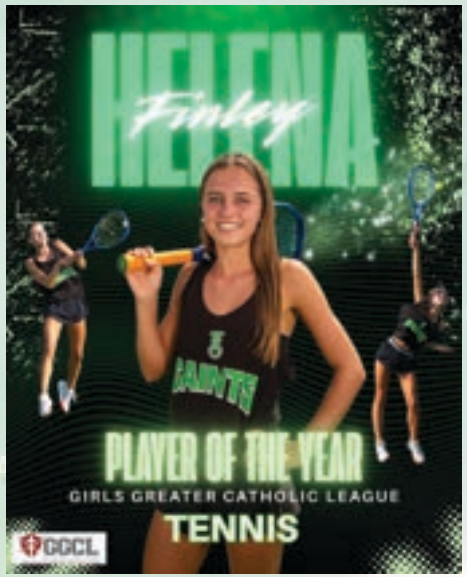

"Choosing to attend Seton High School has been both the most life-changing and the most rewarding decisions I've made in my life so far! Seton continues to provide me with opportunities for personal growth within the classroom, as a leader, community involvement and athletic success, achievement, and enduring relationships. Every day I am reminded of the immense support system our students, faculty, and staff model. Our school spirit is unmatched. This is felt within the world of athletics and well beyond. The sisterhood is authentic and something I will cherish far exceeding my time here as a student." – Penelope Reisman '28

WYOMING TRIP

Seton High School offers students the opportunity to visit Yellowstone every other year, where they can experience the beauty of God's creation through breathtaking sights and outdoor adventures. Through Sunday Mass, group reflection, touring and faith-building activities, students deepen their faith while building lasting friendships and growing together in sisterhood.

THE CLASSROOM

INTERNATIONAL TRIP

Seton High School is excited to offer international trips every other summer, allowing students to explore new places, experience diverse cultures and learn beyond the classroom. This past summer, 40 students traveled to Barcelona and France for a 10-day European adventure! From breathtaking architecture and historic cathedrals to guided bike tours and authentic cuisines, our students immersed themselves in new cultures and created unforgettable memories. Saints will travel to Venice, Salzburg and Munich in summer of 2028!

SOURCES OF STRENGTH

Student-led team that focuses on spreading Hope, Help and Strength into every corner of our community.

HEALTH & WELLNESS

Providing opportunities for our students to focus on health, wellness, accountability and balance in working towards their academic, social and emotional goals is a priority here at Seton. It is at the forefront of everything we do. We are proud to be able to offer our students a robust educational experience that fosters growth and success and improves outcomes.

"The counselors at Seton have always been so understanding, supportive, and easy to talk to. From helping me navigate challenging classes and preparing for college to encouraging me as I balance academics, flag football, and extracurricular activities, they have always been there to offer guidance. What I appreciate most is how genuinely they care about each student and their willingness to listen, help us overcome challenges, and encourage us to take advantage of new opportunities Seton offers." – Faith Mitchell '27

Vicki Fuchs

Seton is grateful to have a Licensed Professional Clinical Counselor in the building to help provide support throughout the school day to students in need.

School Counseling Team

BAYLEY STUDENT ACADEMIC SUPPORT SERVICES

Through a comprehensive and inclusive approach, students with identified learning disabilities and/or other health impairments will receive individual, small group and classroom support from the Bayley Special Education Support Services Team. The team will work collaboratively in the classrooms with teachers assisting in intervention strategies that are tailored to meet students' individual needs.

The Bayley Program has given me the tools and skills to succeed in all of my classes. It also has taught me good organizational and study habits that I apply in my classes, which will continue with me through college. The teachers and the staff at Seton push everyone to succeed. Through this support, I prove to myself every day that I can do hard things that I didn't think were once possible.

– Alaina Cappel '29

STUDY SEMINAR AND LEARNING LAB

Along with the Bayley Program, Seton High School provides academic support for general education students who may benefit from additional assistance to reach their full potential. Study Seminar is a guided study hall designed for students identified by the support services team. The Learning Lab is available by appointment to all students throughout the school day and after school, offering help with academic strategies, preparation and skills to help them succeed academically.

Genia Wharton

Jeff Wieczorkowski

"When it came time to choosing a high school for our daughter, Tatumn ('26), one of the things most important to us was knowing she would be safe. From the first visit, it was clear that Seton takes student safety seriously. The security team's presence, professionalism, and genuine care for the girls gave us tremendous peace of mind."

– Parents Jason (Cincinnati Police Officer) and Genia (retired Cincinnati Police Officer) Wharton

Genia was so impressed with the security that she joined the team last year when she retired from CPD.

Seton is committed to providing an optimal learning environment throughout our campus. This includes state-of-the-art classrooms and science labs, a parking garage, outdoor classroom, air conditioning throughout the campus, Halo Café, The Grove Courtyard, The Tom and Janis Kelley Family Theater, a professional broadcasting studio and the Saints Square Plaza.
