

SETON TRIHEALTH

SUMMER EMPLOYMENT PROGRAM

SETON

Since 2004, the Seton TriHealth Summer Employment Program has provided Seton High School students with the opportunity to work as a summer employee at Good Samaritan Hospital and other TriHealth locations throughout the city. Seton is the only high school in Cincinnati that has been given this unique opportunity through TriHealth.

The health care industry is our region's largest source of private sector employment and generates an economic impact of almost \$14 billion per year, according to the Greater Cincinnati Health Council. Health care is also one of the fastest growing industries in our region; employment in hospitals increased by 36 percent in the past five years.

- Earn competitive wages that may be used to offset educational expenses
- Choose from options for full-time or part-time schedules, and from several TriHealth locations
- Develop business-critical soft skills that are necessary for college and career readiness
- Gain awareness of the health care field and the various administrative jobs within health care
- Develop professional relationships in a diverse work environment and be part of a team
- Gain confidence; practice strong time management and communications skills
- Build resume with professional experience and advanced skills
- Receive coaching and training from a professional mentor
